Dear Paul:

We thank you for your letter prompting a reply regarding Charles A. Urig, Jr. The problem and dilemma I am facing is that he has taken into confidence one of our District Executives and in essence has admitted that he has made homosexual advances on boys from one of our Scout Troops and will not under any circumstances make a written statement to the fact that he does have homosexual tendencies.

The only substantial information that I can give you that will support you placing Mr. Urig on confidential file is my original letter to you and the attached memo from the District Executive to me.

Please let me know of your decision.

Sincerely,

Jack Terwilliger

# MEMORANDUM

To: Jack Terwilliger

From: Hal Murray

Date: August 31, 1972

In early June, 1972, certain alligations were made by [REDACTED], M. C., of Troop 105, New River District, concerning Charles J. Uriq, Jr. Neighborhood Commissioner. The alligations were investigated and found to be based on fact. On June 21, I discussed the incident with Charles Uriq and he admitted that he made homosexual advances to three boy members of Troop 105 while on an outing. He also stated that he had received an undesirable discharge from the United States Navy on the grounds of homosexuality. After further discussion with Mr. Uriq he agreed not to register with the South Florida Council, Boy Scouts of America.
